Andy Hi
I hope everything is OK in the CIFC Kingdom.
I'm in the Central Kingdom, China. It seems no one here ever heard of CLOs. Am I right?
I'll be on NY on Sept 21-24. Hope to meet you by then.
BTW, do you think it make sense for you and me to join Yaron and you on the fund which deals with Israel among other places (Yigal's Clearing House etc.) ?
Best
EB
